Diana isn't just another superyacht; she represents the height of luxury and performance. With her extensive refit in early 2024, she stands as one of the latest and most technologically advanced multihull superyachts. The extensive use of carbon offers exceptional performance without compromising on comfort.

RELAX AND UNWIND

With bright and welcoming interiors, Diana feels like a cosy California beach house. Her salon is thoughtfully designed and perfect for enjoying a relaxing meal and unwinding. Natural light floods the space through expansive windows, offering a constant connection to the surroundings.

DIANA – GUEST CABINS

Y.CO

A woman in a white short-sleeved shirt and light blue shorts is leaning over the side of a boat, pouring a yellow drink from a bottle into a glass held by another woman. The second woman is sitting in a white hot tub, wearing sunglasses and smiling. The background shows a clear blue sky with scattered white clouds and a calm blue sea. The boat's railing and a red and white striped flag are visible on the right.

The exterior is perfect for entertainment, featuring an expansive swim platform for refreshing drinks after a day in the sun, a large trampoline area and various lounging spots around the Jacuzzi.

PACKED WITH SPECIAL FEATURES

Diana is designed for sports and wellness enthusiasts. Her flybridge is the perfect workout area. And, with a fitness trainer and masseuse among the crew, your wellbeing can be the top priority.
